---

## PROFESSIONAL SUMMARY

Frontend Developer with hands-on experience in HTML5, CSS3, and JavaScript. Proven ability to create responsive web applications, optimize user interfaces, and deliver exceptional user experiences. Strong problem-solving skills with a passion for continuous learning and staying current with web development trends. Seeking to contribute technical expertise and innovative solutions to drive organizational growth.

---

## TECHNICAL SKILLS

### Frontend Technologies:

- HTML5, CSS3, JavaScript (ES6+)
- Responsive Web Design & Mobile-First Development
- CSS Frameworks: Bootstrap
- Version Control: Git, GitHub
- Browser Developer Tools & Debugging
- Cross-browser Compatibility Testing

### Development Tools & Practices:

- Code Editors: VS Code
- Project Management & Collaboration Tools
- Web Performance Optimization
- UI/UX Design Principles

### Currently Learning:

- Software Engineering at PLP Academy
- 

## CORE COMPETENCIES

### Technical Skills:

- Frontend Development
- Web Application Development
- User Interface Design
- Code Optimization
- Problem-Solving & Debugging

### Soft Skills:

- Excellent Communication
  - Team Collaboration
  - Project Management
  - Time Management
  - Adaptability & Continuous Learning
  - Attention to Detail
  - Creative Problem Solving
  - Emotional Intelligence
- 

## PROJECTS PORTFOLIO

### Personal Portfolio Website

**Technologies:** HTML5, CSS3, JavaScript, Bootstrap

**GitHub:** [github.com/chinwemartins02/my-portfolio](https://github.com/chinwemartins02/my-portfolio)

**Live Demo:** <https://chinwemartins02.github.io/my-portfolio/>

#### Key Features:

- Fully responsive design across all devices
- Interactive project showcase with smooth animations
- Contact form with JavaScript validation
- Optimized performance and SEO-friendly structure

### Beauty Salon Website

**Technologies:** HTML5, CSS3, JavaScript

**GitHub:** [github.com/chinwemartins02/salon](https://github.com/chinwemartins02/salon)

**Live Demo:** <https://chinwemartins02.github.io/salon/>

**Key Features:**

- Modern, mobile-responsive design
- Service gallery with interactive elements
- Online booking form with form validation
- Cross-browser compatibility

## **Additional Development Projects**

- **Employee Management Forms:** HTML5/CSS3 forms with advanced styling and validation
  - **Salary Calculator:** JavaScript application for employee salary breakdown calculations
  - **Various UI Components:** Login forms, registration forms, and interactive elements
- 

## **EDUCATION**

**Frontend Web Development Certificate** (July 2024)

New Horizons Computer Learning Center, Lagos

*Comprehensive training in modern web development technologies*

**Bachelor of Science, Biochemistry**

University of Nigeria, Nsukka

*Strong analytical and problem-solving foundation*

**West African Senior School Certificate**

Queens College, Yaba, Lagos

*Excellent academic performance*

---

## **CERTIFICATIONS**

**Web Development:**

- Frontend Web Development Certificate - New Horizons (2024)

**Professional Development:**

- Certified Customer Service Professional (CCSP) - 2014

- Certified Telesales Professional (CTP) - 2014

**Pursuing:**

- Software Engineer certification
- 

## ACHIEVEMENTS & HIGHLIGHTS

- Demonstrated proficiency in creating responsive, cross-browser compatible websites
  - Developed strong foundation in modern web development best practices
  - Proven ability to learn new technologies quickly and apply them effectively
  - Experience in project-based learning and collaborative development environments
- 

## PROFESSIONAL DEVELOPMENT

**Continuous Learning:**

- Actively pursuing React.js and modern JavaScript frameworks
- Regular participation in online coding challenges and tutorials
- Following web development blogs and staying updated with industry trends
- Planning to contribute to open-source projects

**Tech Community Involvement:**

- Member of local developer communities
  - Attending tech meetups and workshops in Lagos
  - Networking with fellow developers and industry professionals
- 

## INTERESTS & ACTIVITIES

- **Problem Solving:** Enjoying coding challenges and logic puzzles (Scrabble)
  - **Research & Learning:** Exploring new technologies and development methodologies
  - **Teaching & Mentoring:** Sharing knowledge with aspiring developers
  - **Tech Innovation:** Following emerging trends in web development and user experience
-
